

## Your Community

Bonnyville Beach is a pretty good place to be in the summertime and not too bad throughout the rest of the year.

Your Council works to make it better and tries very hard to not make it too expensive.

Council meetings are scheduled for the fourth Wednesday of the month at 5PM with exceptions in December and January.

Contact your councillor or the beach office—phone or email and visit the website often. We want to hear from you, and we always try to meet the needs of our taxpayers.

## Taxes and Assessment

Your Tax notice from the summer village is a combined notice of assessment and taxes due.

Your assessment is done by a qualified assessor. The date of assessment is July of the previous year and is determined by the market forces in the local area. Unfortunately the costs involved in running the village have gone up a bit but the council and administration have tried

Talk to us...  
we'll listen

to keep the taxes as low as possible.. For 2017 most rate payers will see a small increase in the tax bill, since we have an increase in Education taxes and the requisition from the Seniors foundation in Bonnyville

### So far in 2018—

Some tree trimming has been done by ATCO energy.

Another year of high water levels. By the time this reaches you we will have a better idea of the ice situation this year. Depends on the wind conditions more than anything.

For copies of Bylaws by Email please send the request to [admin@bonnyvillebeach.com](mailto:admin@bonnyvillebeach.com) specifying which bylaw you wish receive. Bylaws are also posted on the Web site: [www.bonnyvillebeach.com](http://www.bonnyvillebeach.com)

## Taxes and Penalties

Taxes are due and payable in full by June 30th of the year. Penalties will be applied to late payments as noted on the tax notice. If you have any questions about your tax bill or payments please contact us prior to the due date, note that the office is NOT open every day, and the best way to contact us is via email to

[admin@bonnyvillebeach.com](mailto:admin@bonnyvillebeach.com)

Voice mail is checked on a regular basis, but faster response is more likely from an email.

## Electronic payment options coming

Direct payment options are available to Credit Union clients and we are working on ATB Financial. You can make E-transfers to the Summer Village using that feature with your own bank. For more information check the website

Email notice of e-payment to

[svbbtaxpay@gmail.com](mailto:svbbtaxpay@gmail.com)

## Monthly Installment Payments

We do have a plan for people who wish to make monthly payments on the taxes. The calculated amount is provided to those on installments with the tax notice.

**If you wish to start monthly payments, your current tax bill will be divided into 6 equal payments (July-December) of this year and the installments for 2019 will be calculated to start in January of that year. Regulations do not allow for extending tax payments beyond the end of the current year.**

**Please note that installment requests must be made prior to June 15th to allow for setting up the schedule prior to June 30th to avoid penalties.**

To Set up installment payments for 2018/19  
email the administration.

Payments for taxes would be calculated as:

Current year taxes / 6 for the amount from July thru December.

Estimated payment for January thru June of 2019 would be the current taxes / 12—rounded up to even dollar amounts applied as credit memo to your account.

The remainder of 2019 taxes would be spread over the next 6 months (July-December)

All installment checks / payments are due for deposit on the 15th of the month.
